LB 21, 574 A

SPEAKER LUEDTKE: I believe Senator Stoney wanted to take care of that LB 21 situation that has developed and I think while we've got this many people here we ought to take care of that.

SENATOR SAVAGE: The Chair recognizes Senator Stoney.

SENATOR STONEY: Mr. President, members of the Legislature, a few minutes ago, or it seems like only a few minutes ago, we brought LB 21 back to Select File and added an amendment. Subsequent to that adoption the Games and Park Commission has contacted us and advised that with the amendment, we would not be in compliance with federal coastguard regulations which we must comply with and for that reason I would ask that the bill be returned from Final Reading to Select File to strike the amendment that we adopted this afternoon.

SENATOR SAVAGE: All right. Is there any discussion? The question is to return LB 21 to Select File for the purpose of striking the amendment that was put on earlier in the day. All those in favor please vote aye, opposed vote nay. Senator Savage voting aye.

CLERK: Senator Savage voting aye.

SENATOR SAVAGE: Record.

CLERK: 28 ayes, 0 nays on the motion to return, Mr. President.

SENATOR STONEY: Mr. President, I would move that the amendment be stricken.

SENATOR SAVAGE: Motion to strike the amendment, all those in favor vote aye, opposed vote nay. Senator Savage voting aye.

CLERK: Senator Savage voting aye.

SENATOR SAVAGE: Please vote. Record.

CLERK: 27 ayes, 0 nays on the adoption of the Stoney amendment, Mr. President.

SENATOR STONEY: Mr. President, I move the bill be advanced from Select File to Final Reading.

SENATOR SAVAGE: All those in favor say aye, opposed vote nay. Senator Luedtke, the Speaker.

SPEAKER LUEDTKE: Mr. President, one other matter. 574 is on Final Reading. 574 A has never been moved across from General File according to Senator Maresh and this is something that we ought to do to be able to have an orderly processing of the bills over here on Final Reading, so I would ask to put on the agenda that item this afternoon yet to take care of that for Senator Maresh. 574 A.

SENATOR SAVAGE: Mr. Clerk, do you want to read the ...

CLERK: Mr. President, (Read title to 574 A).

SENATOR SAVAGE: Who is going to handle the bill? Senator Maresh.

SENATOR MARESH: Mr. President, 574 A appropriates \$4500 to carry out the provisions in LB 574 which is a special permit, the colored photograph for identification purposes so I move that LB 574 A be advanced from General File to E & R Initial.
